Most teachers in our country are used to traditional style of teaching. Nevertheless, irrespective of their age and teaching experience, the speed with which teachers made a shift to online teaching was astounding and unparalleled. At Shri Mata Vaishno Devi University, Katra, classrooms / lecture theatres / studios etc. are well equipped with state of the art teaching aids / platforms and teachers are well versed in using these modern tools to conduct lectures and demonstrations. The University has a well-established network system with high speed internet connectivity and teachers and students of the University had already been using various online platforms for teaching and learning. However, teaching the students entirely in online mode, without their physical presence, was an intriguing experience. The university and its constituent schools adopted various techniques and methodologies to ensure timely completion of syllabus of various programs. The university administration also took adequate measures to recall students to the campus for offline classes, in line with the Government guidelines from time to time, taking all possible precautions to ensure safety of all. Covid testing and vaccination of students, teachers / staff and their families was conducted in the University campus itself, with the help of District Administration. Regular sanitization of classrooms, labs, office spaces, hostels, common areas was conducted. The Semester was extended and syllabus of most of the courses was completed and exams conducted accordingly. Some of the steps taken by the University towards efficient conduct of online classes are appended below:</p> <ol style="list-style-type: none"> 1.The University extended the LMS (Learning Management system) facility via Google platform to the students as well as faculty members for organising & managing the teaching-learning process. 2.The theory part of the subject was completed with the help of IT teaching aids such as PPT, Video and interactive video chat sessions via Google classrooms and Google Meet. Study material was provided via e-mails and whatsapp. Lecture videos were created and uploaded on YouTube etc. 3.The Studio/Lab part of the subject was completed with online supervision of the work by the student which was performed by the student at home and/or at the premises of supporting agencies. 4.The learning resources to the students were extended by faculty members by uploading reading material/videos and providing online links to various e-resources. 5.The faculty members conducted the Mentor-Mentee meetings of their respective batches not only to resolve the teaching-learning issues of the students but also to support them emotionally & morally. 6.In order to complete the syllabus in time, extra classes were conducted during off hours, wherever required. 7.The progressive evaluation was also conducted online on MOODLE platform that included the Quizzes and short answer questions. Students attended the Quiz online and uploaded the handwritten answer sheet on the MOODLE. 8.Major Exams were conducted with extra grace time to upload long answers on the MOODLE LMS.
