Respected Sir/Madam,

A unique initiative of online professional development of in-service teachers' of higher education, using MOOCs platform SWAYAM-Annual Refresher Programme in Teaching (ARPIT) was launched by MHRD on 13th November, 2018. The ARPIT is 40 hour programme with 20 hours of video content offered in a highly flexible format which can be done at one's own pace and time. The programme has built-in assessment exercises and activities as part of the academic progression in the course. At the end of the course, there is a provision for terminal assessment which can be either online or written examination.

It has been decided by the UGC that successful completion of the courses offered under the ARPIT programme with 40 hour of instruction material with a proctored examination will be treated as equivalent to one Refresher Course for the purposes of Career Advancement.

This is for the information of all universities and colleges.

With regards,

Yours sincerely,

(Rajnish Jain)
