**11<sup>th</sup>**

**ANNUAL REPORT**

**2014-15**

GOVERNOR  
JAMMU & KASHMIR

RAJ BHAWAN  
SRINAGAR - 190001

## *Chancellor's Message*

Shri Mata Vaishno Devi University has, since its establishment in 2004, been making steady all round progress. It is gratifying to note that this institution continues to have students on its rolls who hail from different parts of the country and a large number of its alumni are presently holding responsible positions in reputed industrial, research and business houses of the country.

I trust that the University shall achieve speedy growth and soon emerge as one of the leading universities.

I compliment the Vice Chancellor, members of all the Faculties, non-academic staff and students of the University and wish them high success in all their future endeavours.

1<sup>st</sup> September, 2015  
Srinagar.

  
(N.N. Vohra)

SHRI MATA VAISHNO DEVI UNIVERSITY  
KAKRYAL, KATRA (J&K)

VICE CHANCELLOR

## *Vice Chancellor's Message*

One of the most prudent investments any community can make is in human capital formation through education in general and through value based higher education of the young citizens in particular. We are proud to claim that Shri Mata Vaishno Devi University is one such initiative of Shri Mata Vaishno Devi Shrine Board to expand the horizons of education in the country. The guiding spirit of the University is our University's Chancellor Padma Vibhushan Shri N. N. Vohra, the Chairman of SMVD Shrine Board and Hon'ble Governor of Jammu & Kashmir State.

The University, established in 1999, started the academic sessions eleven years ago in the year 2004 with the first lecture delivered by Dr. A.P.J. Abdul Kalam, the then President of India. The University is committed to provide excellent and more significantly holistic education in the serene environment at foothills of the pious Trikuta hills. The University has world-class facilities and auditorium with seating capacity of 1000. All classrooms are fitted with LCD/DLP projectors. The University provides excellent education by offering undergraduate, postgraduate, dual degree, doctoral & post-doctoral programs so as to create finest professionals and human beings.

This Annual Report for the year 2014-15 provides clear insight into the life at University during the year; the broad range of University's activities and strength of its performance in relation to its stated roles, values and goals.

I am glad to present this Annual Report which is not only a review of our progress but a blueprint to enable us to forge ahead in our odyssey towards achieving excellence in all spheres of knowledge.

(Prof. Sudhir K. Jain)

## *A Tribute to Beloved APJ*

**Bharat Ratna Dr. Kalam in the classroom with the First Batch of Students**

On the 27th of July 2015, an iconic personality of our nation – Bharat Ratna, Dr. A.P.J. Abdul Kalam left for his heavenly abode. The first lecture to the very first batch of MBA & Engineering students in SMVDU was delivered by Dr. A.P.J. Abdul Kalam on 19th August, 2004. No tribute would be tall enough to reach the height and glory of this iconic figure's accomplishments in the service of nation. As a mark of our humble tribute and respect, here is a glimpse of the visit of the 'First Teacher of SMVDU' and a snapshot of his Lecture:

“...There are five capabilities that are most essential for economic development & national building and if we develop in our students these five capacities we will produce a certain kind of learner. A combination of the five characteristics like capacity for research, capacity for creativity and innovation, capacity to use high technology, capacity for entrepreneurial leadership & capacity for moral leadership will result in evolution of an enlightened citizen. I hope that the students at SMVDU imbibe these characteristics and turn into productive and proud citizens of the country”

## An Overview of the University

In the year 2015, Shri Mata Vaishno Devi University completes eleven years of its existence. Ever since its inception in the year 1999, the odyssey of University has been arduous besides being a sublime combination of visioning and re-visioning. Hence, the eleventh annual report is not only a rigorous exercise of retrospection but an acute attempt to envisage the future action plan.

The University was established with a foundation grant and continuing support from Shri Mata Vaishno Devi Shrine Board, the managing body of Shri Mata Vaishno Devi, one of the supreme shrines of North India. Cradled in the foothills of divine Trikuta Hills and spreading over a campus of more than 450 acres, the University is a picturesque, serene campus with an intellectually stimulating environment for the knowledge seekers to be engaged in a meaningful process of learning and self-realization. In addition to this, the University provides academically motivating ambience for effective research and novelty of thought for the welfare of humanity. To maintain and enhance its teaching and research, the University makes consistent efforts to consolidate, expand and enhance all its teaching-learning resources.

The University has been maintaining academic vibrancy with a substantial focus on ethics and social commitment which is reflected in vast array of activities being held in the campus regularly. The constitution of Students' Affairs Council in the year 2014 was an attempt to instill organizational and leadership skills in students. Every member of the University is motivated to prioritize collective interests and progressively work towards creating efficient system. Faculty is

shaping their knowledge and skills to become a repository of creative genius and students are an infinite reservoir of potential talent and innovation. The introduction of Professional Development Assistance ( PDA) for faculty is a rare opportunity for the faculty of SMVDU. The University takes pride in stepping into an enviable position of excellence and feel confident that within next few years the pool of diverse and inquisitive students, the devoted faculty, staff and the alumni would work collectively towards building this educational institution as a 'WORLD CLASS UNIVERISTY' in this vibrant state of J&K.

The University provides education and knowledge through four Academic Faculties, Thirteen Schools of Study, Four cells and three Research Centres. The University is offering Ph.D. in twelve disciplines which are: Management, Economics, Mathematics, Physics, Computer Sciences & Engineering, Chemistry/Chemical Biology, Energy Management, Biotechnology, English, Mechanical Engineering, Electronics & Communication Engineering and Philosophy; M.Tech. in four disciplines which are: Electronics and Communication, Mechanical Engineering, Computer Sciences & Engineering and Energy Management; Post Graduation in seven disciplines which are: MBA, MCA, M.Sc.(Economics) Five years integrated Dual Degree Program, Mathematics, Physics, Biotechnology and English; B.Tech. in four disciplines which are: Electronics and Communication Engineering, Computer Sciences & Engineering , Mechanical Engineering, Industrial Biotechnology and B.Architecture. This all is being done in tune with the vision and mission of the University so that human mind follows the path of creativity for the welfare of mankind.
